

Hygiene products

FIBRELLA® Move

Benefits

- Fast fluid management maintaining its speed level even with high fluid amounts and multiple insults.
- Dries instantly after an insult and maintains its dryness after multiple insults.
- Superior at masking and ghosting the stains.
- Uniquely designed, fit-for-purpose structures deliver stiffness, high loft and outstanding softness.
- Suitable for high line-speeds without any dust during converting.

Recommended usage

●●● Acquisition and Distribution Layer (ADL)

(• = Good, ●● = Better, ●●● = Best)
