

Workplace wipes

SPC™

Benefits

- Three-layer product construction offers a thick, substantial cleaning product.
- Low stretch of product and staple fibers give significant strength.
- Extremely efficient in dirt pick-up.
- Good lotion management through gradual release.
- Product can be modified with a variety of patterns that communicate soft and clean.

Recommended usage

- Light duty general purpose wiping
- Personal cleaning
- Medium duty general purpose wiping

(• = Good, ●● = Better, ●●● = Best)
